EPA Now Accepting Applications for P3 Grant Program

Do you know any college students interested in solving an environmental challenge? EPA's P3 – People, Prosperity, and the Planet—Program is a unique college competition that inspires solutions for a sustainable future. P3 offers quality hands-on experience that brings classroom learning to life. For the first phase of the competition, teams are awarded a \$15,000 grant to develop their idea. Teams then compete in the National Sustainable Design Expo in Washington, DC for the P3 Award and a \$90,000 grant to turn their design into a real world application. Apply for P3 by December 16 [here](#).
