**OHIO STATE UNIVERSITY OPPORTUNITIES/NEWS

Funding Opportunities

Faculty and Graduate Student Behavioral Decision Making Grants - Small grants of up to \$3000 are available to support behavioral decision making (BDM) research at Ohio State. The goal of these competitive grants is to foster new BDM research activity and collaboration. Priority will be given to (a) projects that bring together BDM researchers from different departments or researchers who have not previously collaborated, (b) seed projects that are likely to generate pilot data or theory for external grant proposals, (c) projects that allow for the meaningful involvement of graduate and undergraduate students, and (d) projects by researchers who have not been previously funded under this program. Deadline: November 15, 2014. More details at <https://bdm.osu.edu/small-research-grants-faculty-and-graduate-students>

Undergraduate Behavioral Decision Making Grants- Small research grants for undergraduates, up to \$1800 - no deadline -Details and instructions are available at <https://bdm.osu.edu/small-research-grants-undergraduates>

BETHA grant competition call for proposals

Ohio State full-time faculty are invited to apply for the annual Battelle Engineering, Technology and Human Affairs Endowment awards. The annual grant competition, established in 1975 with a gift from Battelle Memorial Institute, funds three to six projects that examine the impact of science and technology on individuals and society. Emphasis is placed on educational and public service programs and collaborative projects. Awards range from \$10,000 to \$60,000. Submit proposals by Tuesday (11/25).

EPA Now Accepting Applications for P3 Grant Program

Do you know any college students interested in solving an environmental challenge? EPA's P3 – People, Prosperity, and the Planet—Program is a unique college competition that inspires solutions for a sustainable future. P3 offers quality hands-on experience that brings classroom learning to life. For the first phase of the competition, teams are awarded a \$15,000 grant to develop their idea. Teams then compete in the National Sustainable Design Expo in Washington, DC for the P3 Award and a \$90,000 grant to turn their design into a real world application. Apply for P3 by December 16 [here](#).
